

FUNDRAISING PROGRAMMES

Summerhill participates in the following fundraising initiatives and we kindly request all our parents (and extended family where possible) to join in these wonderful programmes to help the school raise funds used for exciting projects in and around the school.

MySchool MyVillage MyPlanet card

ALL IT TAKES IS ONE POWERFUL SWIPE! Simply get a **free** MySchool MyVillage MyPlanet card and swipe it when shopping at their retail partners. A percentage of your spend will be donated to the beneficiary of your choice. It's that easy and won't cost you a cent! Make an impact!

Makro mCard

mCard is Makro's rewards programme. Once you have downloaded the mCard app on your phone, you can access deals specific to mCard. By purchasing these items you earn mRewards - cash back in your mWallet to spend at Makro and you can link your card to your favourite school through the Educ8 option.

Dischem School-Days

The School-Days programme enables you to raise education funds for your chosen beneficiaries, simply by shopping at Dis-Chem. Support your school, Adopt-a-School Foundation and/or your family. You'll still earn your Dis-Chem Benefit rewards too!
