

Dear Parents

SUMMERHILL TUCKSHOP

Operating times: 07h00 - 15h00 Daily

Summerhill Tuckshop is privately owned and operated under contract to Summerhill School. Our commitment is to provide fresh, quality tuckshop food to your child. Each day we offer cooked meals and snacks which are available before school, at both first and second break, as well as after school and after sport. These meals, snacks and drinks are sourced from credible suppliers, ensuring only the highest standard of ingredients - meat and allied products, go into our freshly prepared foods. Children are encouraged to come down before school to order and pay for their preferred meal so they can quickly grab their lunch and run off to play. Parents may also whatsapp an order to Lara 071 713 2927 before 7am on the day the order is required. An assortment of refreshments, such as flavoured waters, sugar-free soft drinks, fruit juices and frozen yoghurts are available throughout the day. From second break, children are allowed to purchase mini chocolates and ice cream in addition to the first break offering. ONLY after school, are children allowed to purchase sweets. We are conscious of sugar intake, and to limit this as much as possible, we monitor children purchases.

On special occasions functions and sporting events, we offer a wider selection of foods, cold drinks and chocolates. This is communicated via email and social media.

We have a cashless payment system called Lunch Card for your convenience. You will enjoy discounted prices on certain food items and beverages, as well as have control over what your child can purchase. You may set daily spend limits and dietary restrictions on the Lunchcard website. For more information on the tuckshop offering, queries, requests and/or how to acquire a Lunchcard for your child, please contact Lara Fast.

Many thanks and regards,
Lara Fast
